Good Morning All,

I have added Wednesday, March 1, 1:30 PST/4:30 EST to Jonna's calendar for the Liberia update call. If her flights are on time and she is not held up at the airport for any reason, she should be able to participate at that time. As we are closer to the time, if there is a delay I will notify participants.

We can use this conference line. [REDACTED] Access code [REDACTED]

Hi Jon,I may or may not be able to do that. I will be on my way back from Ghana at that time. 4 pm your time might be an option.

Hi Jonna,

I hope things went well in Ghana. My flight from Monrovia was cancelled when the airport decided to close for runway maintenance(!), but fortunately I ended up getting onto a Friday morning flight from Monrovia that went via Morocco.

I'm glad we had a chance to speak at the end of last week. Would you like to have call this week with Peter and me about next steps for Liberia? If so, Wednesday afternoon would work on our end.

Cheers,

Jon
